REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

East Aiken Elementary School is an Arts in Basic Curriculum Site and a recipient of a Distinguished Arts Program grant. In conjunction with our partnership with the Aiken Community of Character initiative, our students produce monthly arts-integrated character education productions that are legendary. Artists-in-Residence come to immerse our students in arts experiences such as steel sculpture design and completion, Opera for Children, Symphony Workshops, and Creative Writing Clubs. Our stakeholders and supporters work together to ensure that our children have exemplary experiences in both academics and the arts.

Literacy Model Classrooms at East Aiken are providing intensive, individualized instruction in reading, language, and writing. Teachers plan lessons for the whole class, small groups, and individual children. Students work in small groups in literacy centers designed to meet the needs of each child. Our Reading Interventionist provides additional specific instruction to struggling readers.

Student achievement in mathematics is improving under the direction of our mathematics coach. She facilitates grade-level team planning and helps teachers use MAP and PASS data to inform their assessments and instruction. The coach also teaches model lessons and locates math manipulative materials to add depth to our math instruction.

Innovative technology, such as interactive white boards, digital cameras, and etvStreamlineSC, enhances lessons in all areas. The Media Center is available for classes to use the computers there for research projects. Four mobile laptop labs are available for classes to use for a variety of computer programs.

Our 21st Century Community Learning Center continues to provide outstanding opportunities for student growth and development in the daily afterschool program. Grant funding and community resources allow one hundred at-risk children to benefit from a wide range of academic and arts enrichment services at no charge.

Our school has been awarded the Red Carpet Award twice. We are extremely proud of our family-friendly atmosphere and our warm, inviting environment. Members of our School Improvement Council and PTO collaborate to provide technology enhancement in classrooms and landscape improvements on our school campus. Many volunteers make a vital contribution to the success of our students. Parents and community members serve as mentors to children who need a caring adult in their life, tutor students with special needs, and assist teachers with a variety of activities.
